Whether you are looking to redesign your space yourself, with professional assistance or whether you would like to hire a designer for their complete project planning, Willow and Hunt is the place to look. Explore online at [www.willowandhunt.co.uk](http://www.willowandhunt.co.uk) and Instagram @willow\_and\_hunt

**19. MIRRO MIRRO** on the wall. This magic mirror of Wever & Ducré, developed in cooperation with 13&9 Design and fashion designer Sabrina Stadlober focus is on people, and thus the designers always create a meaningful connection between a product and its user. As for MIRRO, this was achieved by incorporating a reflecting metallic surface element that creates a dynamic relationship between user, luminaire and light. The shimmering and circular luminaire is available as a wall, ceiling, hanging, table and floor version. Shop at [weverducre.com](http://weverducre.com)

**20.** UK crafted, personalised, furniture by **PENNY WOOD BESPOKE**, provides individually designed furnishings using sustainable and reclaimed wood. With sustainability and quality craftsmanship in mind, they create luxurious and stylish furniture to suit your style. Explore their range of tables, shelves and clever storage designs online at [www.pennywoodbespoke.co.uk](http://www.pennywoodbespoke.co.uk) and Instagram @pennywoodbespoke

**21.** Simple, elegant and functional designs by **M-BARK CERAMICS** are handcrafted on the island of Ibiza, in their studio just steps away from the sea. Their contemporary and minimal designs include crockery pieces as well as more experimental and playful shapes. Check out their designs online at [www.m-barkceramics.com](http://www.m-barkceramics.com) and on their Instagram @m.barkceramics

**22. TIERRA SOL STUDIO** is a botanic design company that grows hardy plants, hand makes ceramics, and mixes soils to make it easier to be a plant parent. Their floral line is the perfect balance of minimal and playful to make florals more fun. Tierra Sol Studios planters, propagation vessels, and floral line are the perfect balance of minimal and playful to brighten your space year round. Shop online at [www.tierrasolstudio.com](http://www.tierrasolstudio.com) and Instagram @tierrasolstudio

**23. HAZ INTERIORS** was founded by Lina who designs and sources authentic Moroccan Berber Rugs. Her ethos rests in providing reasonably priced rugs to spruce up any interior whilst supporting artisans. Luckily Lina's parents reside in Morocco so together they source these incredible works of art. Find your perfect rug at [www.hazinteriors.com](http://www.hazinteriors.com) and @hazinteriors2311

**24.** Ignite feelings of calm, happiness and euphoria with **ANARAH HOME**, luxury home fragrance specialists.
